TECHNICAL STAFF

KHANO SMITH

Head Coach &
General Manager

Khano Smith was named the first Head Coach and General Manager of Rhode Island FC on March 8, 2023. Smith joined Rhode Island FC after serving four years as the first-assistant coach at Birmingham Legion FC. Before his time in Birmingham, Smith was an assistant coach for Orlando Pride of the National Women's Soccer League for three years.

Playing career

Smith started his transition from player to coach in 2015 as an assistant coach at Southern New Hampshire University. Smith brings extensive experience to the club, including an 11-year professional career playing for seven professional teams across four leagues: Carolina Dynamo, Bermuda Hogges, Real Boston Rams (USL Premier Development League), Dandy Town Hornets F.C. (Bermudian Premier Division), New England Revolution, New York Red Bulls (Major League Soccer) and Lincoln City F.C. (EFL League Two). At the international level, Smith captained the Bermuda National Team and appeared in 32 games, including 13 CONCACAF World Cup qualifiers. He tallied 10 goals across his national team career with the Gombey Warriors.

Coaching Beginnings

In December 2022, Smith was part of the sixth graduating class to complete the U.S. Soccer Federation (USSF) Pro License, finishing a 12-month journey that began in December 2021. Joining an elite group of fewer than 75 coaches to have completed the highest-level coaching license in the Confederation of North, Central America and Caribbean Association Football (CONCACAF), Smith became the first Bermudian coach to earn the prestigious accreditation. Leading all soccer operations for Rhode Island FC, Smith has assembled a deep and talented roster, and an experienced coaching staff with high standards and expectations for the 2025 USL Championship season after leading the club to the 2024 USL Championship final in its inaugural season.

RIFC TRADITIONS

MEMBER OF THE MATCH

Every home match, a featured Rhode Island FC Season Ticket Member will hold our RIFC flag and lead the team onto the pitch.

SCARVES UP

As our players head onto the pitch before kickoff, stand with your RIFC scarf proudly overhead!

ANCHORS UP!

Watch for our Anchors Up video on the big video board and listen to the boat horn go off to signify the start of play.

STAND & STOMP

Stand and stomp from your seat as loudly as you can during corner kicks and set pieces to energize our team!

GOAL SONG

To celebrate the killer instinct of our goal scorers, we play the song "Psycho Killer" by the Talking Heads (a band who originally met at RISD in 1973 and conceived this song in their student days). As a nod to our supporters' group, Defiance 1636, we have changed the refrain slightly. We encourage you to sing along at the top of your lungs!

*Psycho Killer, Siempre Fiel, Fa Fa Fa Fa Fa Fa
Fa Fa Fa Better ... Run Run Run Run Run Away!
Oh Oh Oh*

RI! FC! CHANT

Make sure you join in on this electrifying chant to cheer on our team and raise the energy level in the stadium!

DEFIANCE 1636 MAN OF THE MATCH

At the end of every match, Defiance 1636, our only recognized supporter group, selects a Man of the Match and awards that player with an exclusive wooden paddle. Be sure to applaud and cheer for the best player of the match!

**PSYCHO KILLER, SIEMPRE FIEL,
FA FA FA FA FA FA FA FA FA FA
BETTER ...
RUN RUN RUN RUN RUN AWAY!
OH OH OH**

THE "ENERGY" JERSEY

DESIGN

RIFC's "Energy Kit" is the bay blue colored kit the team will sport at Beirne Stadium at Bryant University in 2024.

The Energy Kit is a metaphor for what RIFC is about to do to the USL in the upcoming 2024 season - inject the league and the Ocean State with a bolt of energy and enthusiasm.

DETAILS

Inspired by the club's branding, strikingly sleek vertical lightning bolts emphasize the front mid-section and chest panels.

It appears as if you're seeing a bright white bolt of lightning at the exact moment it explodes through the night sky.

A bold, bay blue background represents the rich maritime history that flows through the veins of Rhode Islanders.

THE "RHODE" JERSEY

DESIGN

RIFC's "Rhode Kit" is the amber colored kit the team will rock away from home in 2024 and reflects the incredible tight-knit communities that make up the Ocean State.

The Rhode Kit is a testament to the people of Rhode Island, their spirit, determination, and connection through sport.

DETAILS

Thirteen stars on the collar call back to the proud RI state flag and its heritage as the 13th state in the union.

The statement 'Anchored In Community' lies on the inside collar and the name of all 39 Rhode Island cities and towns are woven throughout the vertical stripes.

Five nautical knots across the body represent the five counties of Rhode Island.

RHODE ISLAND FC

ABOUT RHODE ISLAND FC

Our purpose is to build A Club for All Rhode Island. Everything we do on and off the pitch is focused on this North Star. It is part of our culture, our language and our values. It is the inspiration for us to play a meaningful and impactful role in the community. It is the motivation for us to compete, win and raise trophies. It is the reason we are building a riverfront stadium in Pawtucket – a place to gather as a community and create lifelong memories.

We want to be one of the most respected soccer clubs in North America and the flagship venue for sports and entertainment in Rhode Island. We know that when we wear the crest across our hearts, we represent more than the club. We play for the people and place we call home. It is why, we will always be:

GROUNDLED

We are who we are. No apologies.

INDEPENDENT

Founded by an iconoclast, we were the first colony to break from tyranny. A defiant giant stands atop our state house as a reminder of hope and independence. We have never cared what others thought, and we are not about to start.

FOR ALL

The country's first synagogue. The first African American pro soccer players in the Watson Brothers. Immigrants from every corner of the globe stand tall within our borders. All are welcome in our state and in our club.

PROUD

We are a small state surrounded by titans. So we learned long ago that if you can't stand taller, stand together.

SALTY

What did you expect of the Ocean State? We've got an attitude and we are happy to share it with you – be it a raised glass or raised voice.

MEET CHIP

Not your ordinary harbor seal.

Name: Chip (because if you're THIS iconic, you deserve to be in the celebrity single name club!)

Favorite Food: Fish & Chips; Quahogs (secret cravings for New York System wieners, ideally washed down with some coffee milk.)

Languages spoken: Bark, Snort and Grunt. Arf! Arf!

Personality: Energetic. Optimistic. Charismatic. And just a tad salty.

Favorite sport: Beach soccer.

Favorite "haul out": That's a toughie. The stadium on matchday, of course. But shaking flippers with fans in the community is pretty awesome, too. And you just can't beat the rocks and beaches in Rhode Island.

Favorite team: RIFCFAA (Rhode Island FC Forever And Always). Duh!

Unique Features: 13 whiskers (RI is the 13th state after all); anchor nose; RIFC seal spots (when you're a true fan, you go all out).

Lucky number: 401

"There's no better sport in the world to unite a community and ignite passion than soccer, and Rhode Island is one of the greatest markets on the planet without a professional team. Opportunities don't get much better than that, and I'm blessed to be involved with some amazing soccer teams around the world, but there is no opportunity that I'm more committed to than bringing men's professional soccer to Rhode Island."

RIFC FRONT OFFICE

RIFC FRONT OFFICE

Rhode Island FC—a collection of professionals and sports enthusiasts committed to bringing men's professional soccer to Rhode Island as an extension of the USL Championship. Aiming to be a club for all of Rhode Island, Rhode Island FC strives to provide a sense of community and entertainment through the shared enjoyment of professional sports.

Led under the leadership of co-founders Chairman Brett M. Johnson and former MLS player and Rhode Island native Michael Parkhurst, the Club's executive team is leading the development and investment to create one of the best clubs and stadiums in North American soccer.
